

FORS Fuel Expert

Saving you money every mile every day

Introducing FORS Fuel Expert

FORS has launched FORS Fuel Expert, offering members exclusive access to a range of discounted fuel cards, and is open to all FORS members irrespective of fleet size or vehicle type.

FORS Fuel Expert provides members with access to up to 16 different fuel cards, including fixed price cards, from a range of major brands. The scheme offers members the chance to save up to 4 pence per litre (ppl) off the national average pump price and up to 10ppl off motorway pump prices, along with the chance to reduce overall fuel consumption.

FORS Fuel Expert has been designed to meet the diverse needs of all FORS members' fleets and has been launched in partnership with Fuel Card Services (FCS), one of the largest independent fuel card agents in the UK and also a FORS Affinity Partner – one of a select group of appointed companies offering discounted, FORS-branded products and services specifically for FORS members.

FORS members taking advantage of the offer will be able to unlock savings when they use the fuel cards across the FORS Fuel Expert network of more than 7,000 UK forecourts, including Shell BP, Texaco and Esso.

The inclusion of FORS Fuel Reporting means FORS members can access robust fuel consumption and MPG reports to help understand how to reduce the amount of fuel used, saving more money and helping the environment. The reports can be downloaded or exported via the FORS Fleet Management System provided by FleetCheck, another FORS Affinity Partner.

FORS Fuel Expert reporting also includes CO₂ certificates, which offer statistics on greenhouse gases generated by the company vehicles – essential evidence during the FORS audit process – to help members achieve emission reduction goals, a key requirement at FORS Silver, and a guiding principal throughout FORS Standard version 5.

Supporting your FORS accreditation

FORS Fuel Expert will support requirements O2, S2, S3 and G2 of the FORS Standard version 5, by allowing the monitoring of fuel consumption and vehicle emissions (O2 and S2), reducing costs, and tracking operational performance levels and impacts on the environment (S3 and G2).

Why choose FORS Fuel Expert?

- ✔ Known fixed costs
- ✔ Up-to-date fuel costs with the international oil industry base rates
- ✔ Improved cash flow for business
- ✔ Reduction in operating costs
- ✔ Convenient coverage across the UK
- ✔ Peace of mind and security
- ✔ Instant access and control, which allows cancelling and ordering cards when required
- ✔ HMRC compliant invoicing
- ✔ Protection available for lost and stolen cards
- ✔ Ability to monitor purchases with one card which offers multiple functions
- ✔ Easy identification of service stations
- ✔ Additional money saving offers for family and friends
- ✔ Cost-effective and efficient management
- ✔ Evidence of greenhouse gas emissions data, including CO₂ to report to stakeholders and improve carbon footprint

Key features

- Fixed weekly fuel price available
- Fuel prices are based on Platts rates
- Only pay for used fuel
- Discounted fuel cards
- Access to over 7,000 fuelling stations across the UK, including motorway forecourts
- PIN protected cards

- More than just fuel: selected cards can cover the M6 toll, Adblue, oil and other products
- Drivers Club App
- Comprehensive reporting 24 hours a day 365 days a year
- CO₂ count: certificates to highlight commitment to a greener future
- Dedicated account manager
- Losses covered by Card Protect for up to a maximum of 25,000 litres if card lost or stolen

“FORS Fuel Expert will help FORS members to lower emissions, by better understanding their fuel use. Reducing emissions and helping improve the environmental credentials of our members is a key FORS principle. This new service not only gives FORS members the chance to save money on fuel - which remains the biggest operating cost to fleets - but also helps fleets to closely monitor how they use fuel helping them to save fuel and reduce emissions.”

Paul Wilkes,
FORS Business Services Manager
